Carers Information and Support Programme

The CrISP Programme provides an opportunity for you to talk in a friendly and confidential environment about your experiences of caring and supporting the person with dementia and the impact it is having on you.

The workshops aim to provide you with information and support and cover topics such as:

- Understanding dementia
- Legal and financial issues and money matters
- Providing support and care
- Coping day to day

The next workshops will be starting on the 29 April and then the 28 May 2015.

For more information or to book a place, please contact the office on 01724 848 594.
